About Manitou

The Community Site

## You Can Do So Many Things in Manitou Springs!

Hidden between Garden of the Gods and Pikes Peak, America's most famous mountain, lies the magical town of Manitou Springs.

"Manitou," a Native American word for "spirit," describes this beautiful mountain community. Eleven mineral springs throughout town are fed by the snows of Pikes Peak. Long before white men traveled here, the Ute, Cheyenne and other natives considered this area sacred.

### Hotels, Motels and Restaurants!

Besides being home to several world class, nationally famous historic restaurants, as well as many favorite neighborhood eateries, Manitou Springs has a wide selection of quality accommodations: Lodging can be found in a historic hotel, many unique Victorian bed & breakfasts, classic and cozy unique hotels & motels, quality motor inns, top quality chains, cabins & cottages by Fountain Creek or nestled away off the beaten path, and secluded wooded campgrounds. And if it's the Arts that interest you, Manitou Springs is home to dozens of artists and art galleries. The
